

Fill in the gaps

I am			Turn (14) back like you always do
Little bit of loneliness			Face away and pretend (15) I'm not
A little bit of disregard			But I'll be here
A handful of complaints			'Cause you're all I got
But I can't help the fact			I can't feel
That everyone can see these scars			The way I did before
I am, (1) I want you to want			Don't turn (16) back on me
What I want you to feel			I won't be ignored
But it's like			Time won't heal
No matter what I do			This damage anymore
I can't convince you			Don't turn your (17) on me
To (2) believe this is real			I won't be ignored
So I let go			Now, (18) me out now
Watching you			You're (19) listen to me
Turn your back like you always do			Like it or not (20) now
Face (3) and (4)	that I'm not		Hear me out now
But I'll be here			You're gonna listen to me
'Cause you're all I got			Like it or not right now
I can't feel			I can't feel
The way I did before			The way I did before
Don't turn your (5) on me			Don't turn (21) back on me
I won't be ignored			I won't be ignored
Time won't heal			I can't feel
This damage anymore			The way I did before
Don't turn your (6) on me			Don't turn (22) back on me
I won't be ignored			I won't be ignored
I am, a little bit insecure			Time won't heal
A (7) unconfident			This damage anymore
'Cause you don't understand			Don't turn your (23) on me
I do what I can			I won't be ignored
But sometimes I don't make sense			I can't feel
I am, (8) you (9)	(10)	to	Don't turn your (24) on me
say			I won't be ignored
But I've never had a doubt			Time won't heal
It's like no (11) what I do			Don't (25) your (26) on me
I can't (12) you			I won't be ignored
For (13) just to hear me out			
So I let go			
Watching you
