

Fill in the gaps

I am	Turn your back like you always do
Little bit of loneliness	Face away and pretend that I'm not
A little bit of disregard	But I'll be here
A handful of complaints	'Cause you're all I got
But I can't help the fact	I can't feel
That everyone can see these scars	The way I did before
I am, what I (1) you to want	Don't turn your back on me
What I want you to feel	I won't be ignored
But it's like	Time won't heal
No matter what I do	This (6) anymore
I can't convince you	Don't (7) (8) back on me
To just believe this is real	I won't be ignored
So I let go	Now, hear me out now
Watching you	You're gonna listen to me
Turn your back like you always do	Like it or not right now
Face away and pretend (2) I'm not	Hear me out now
But I'll be here	You're (9) listen to me
'Cause you're all I got	Like it or not right now
I can't feel	I can't feel
The way I did before	The way I did before
Don't turn (3) back on me	Don't turn your back on me
I won't be ignored	I won't be ignored
Time won't heal	I can't feel
This damage anymore	The way I did before
Don't turn (4) back on me	Don't turn your back on me
I won't be ignored	I won't be ignored
I am, a little bit insecure	Time won't heal
A little unconfident	This damage anymore
'Cause you don't understand	Don't turn your back on me
I do what I can	I won't be ignored
But sometimes I don't make sense	I can't feel
I am, what you never want to say	Don't turn your back on me
But I've never had a doubt	I won't be ignored
It's like no matter what I do	Time won't heal
I can't convince you	Don't turn your (10) on me
For once just to (5) me out	I won't be ignored
So I let go
