Why does it feel like night today?	(And watches everything)
Something in here's not right today	So you know that when it's time to sink or swim
Why am I so uptight today?	That the face inside is watching you too
Paranoia's all I got left	Right inside your skin
I don't know what (1) me first	It's (5) I'm, paranoid lookin' over my back
Or how the pressure was fed	It's like a, whirlwind inside of my head
But I know just what it feels like	It's like I, can't stop what I'm hearing within
To have a voice in the back of my head	It's like the face inside is right beneath my skin
It's like a face that I hold inside	It's like I'm, paranoid lookin' over my back
A face (2) awakes when I close my eyes	It's like a, whirlwind inside of my head
A face watches every time I lie	It's like I, can't stop (6) I'm hearing within
A face that laughs every time I fall	It's like the face inside is right beneath my skin
(And watches everything)	(The face inside is right beneath my skin)
So I know that when it's time to sink or swim	(The face inside is right beneath my skin)
That the face inside is hearing me	(The face inside is right beneath my skin)
Right beneath my skin	The sun goes down
It's like I'm, (3) lookin' over my back	I feel the light betray me
It's like a, whirlwind inside of my head	The sun goes down
It's like I, can't stop what I'm hearing within	I feel the light betray me
It's like the face inside is right beneath my skin	It's like I'm, paranoid lookin' over my back
I know I've got a face in me	It's like a, whirlwind inside of my head
Points out all the mistakes to me	It's like I, can't stop what I'm hearing within
You've got a face on the inside too and	It's like the face inside is right beneath my skin
Your paranoia's probably worse	It's like I'm, paranoid lookin' over my back
I don't know what set me off first	It's like a, whirlwind inside of my head
But I know what I can't stand	It's (7) I, can't stop (8) I'n
Everybody acts like the fact of the matter is	within
I can't add up to what you can	It's like I, can't stop what I'm hearing within
But everybody has a face that they hold inside	It's like I, can't stop what I'm hearing within
A face that (4) when they close their eyes	It's like the (9) inside is right beneath my s
