

## Fill in the gaps

When you were standing in the wake of devastation	You build up hope but failure's all (7)
When you (1) waiting on the edge of the unknown	known
And with the cataclysm raining down	Remember all the sadness and frustration
Insides crying, (2) me now	And let it go
You were there, (3) alone	Let it go
Do you feel cold and (4) in desperation	Let it go
You build up hope but failure's all you've known	Let it go
Remember all the sadness and frustration	Let it go
And let it go	Let it go
Let it go	Do you (8) cold and lost in desperation
And in a (5) of light that blinded every angel	You (9) up hope but
As if the sky had (6) the heavens into stars	(10) all you've known
You felt the gravity of tempered grace	Remember all the sadness and frustration
Falling into empty space	And let it go
No one there to catch you in their arms	Let it go
Do you feel cold and lost in desperation
