

Fill in the gaps

When you were standing in the wake of devastation	You build up hope but (8) all
When you (1) waiting on the edge of the unknown	you've known
And with the cataclysm raining down	Remember all the sadness and frustration
Insides crying, save me now	And let it go
You were there, impossibly alone	Let it go
Do you feel (2) and lost in desperation	Let it go
You (3) up hope but failure's all	Let it go
(4) known	Let it go
Remember all the sadness and frustration	Let it go
And let it go	Do you feel cold and (9) in desperation
Let it go	You build up hope but failure's all (10)
And in a burst of light (5) blinded every angel	known
As if the sky had blown the heavens into stars	Remember all the sadness and frustration
You felt the gravity of tempered grace	And let it go
Falling into (6) space	Let it go
No one there to catch you in their arms	
Do you feel cold and (7) in desperation
