

Fill in the gaps

Keep The Lights On by Close Your Eyes

Everything that I despise	That holds me in the dark
Consumes me when I close my eyes	That (15) me in the dark
I don't (1) if I can (2) the way I feel	I hope you can hear me
Despite the (3) you have shone	I'll (16) singing this song
The dark has become what I know	Even if there's no air left
And I am (5) to find my way out of it	And (17) fills up (18) lungs
I am trying so hard to forget	Please keep the (19) on
This constant aching feeling that (6)	I am trying to make it home
(7) my chest	The sun is sinking
The fear in me (8) drags me down	But I won't go down with it
The guilt I feel will not let me get up again	Please (20) the lights on
I'm (9) by the weight	I am (21) to make it home
I was younger then, careless and innocent	The sun is sinking
I (10) thought my words (11) mean	But I won't go down with it
so much	The sun is sinking
But I am older now, I should be screaming out	The sun is sinking
So why is it that I keep my mouth shut?	The sun is sinking
Why do I try so hard to forget	I won't go down (22) it
The forgiveness that is in your hands	
And the mercy in (12) words?	
You are (13) me to seek you and find rest	
And (14) behind the emptiness
