Fill in the gaps

Famous Last Words by My Chemical Romance

Now I (1) that I can't make you stay		These bright lights have always blinded me
But where's your heart?		These bright lights have always blinded me
But where's your heart?		I say
But where's your?		I see you lying next to me
And I know there's nothing I (2) say		With words I thought I'd never speak
To change that part		Awake and unafraid
To change (3) part		Asleep or dead
To change		'Cause I see you lying next to me
So many bright lights to cast a shadow		With words I thought I'd never speak
But can I speak?		Awake and unafraid
Well, is it hard understanding I'm incomplete?		Asleep or dead!
A life that's so demanding, I get so weak		'Cause I see you lying (8) to me
A (4) that's so demanding, I can't speak		With words I thought I'd never speak
I am not afraid to keep on living		Awake and unafraid
I am not afraid to walk this world alone		Asleep or dead!
Honey if you stay, I'll be forgiven		I am not afraid to keep on living
Nothing you could say can stop me going home		I am not afraid to walk this (9) alone
Can you see my eyes are shining bright		Honey if you stay, I'll be forgiven
'Cause I'm out here on the other side		Nothing you could say can stop me going home
Of a jet black hotel mirror and I'm so weak		I am not (10) to keep on living
Is it hard (5)	_ I'm incomplete?	I am not afraid to walk this world alone
A love that's so demanding I get weak		Honey if you stay, I'll be forgiven
I am not afraid to keep on living		Nothing you could say can stop me going home
