## Fill in the gaps

### Dancing Crazy by Miranda Cosgrove

I've got a feeling (1) it's gonna be alright	Hot, hot, (20) it comin'
We don't know where we're goin'	We can rock out (21) the early morning
And I don't (2) (3) I'm at	Everybody's dancin', dancin' crazy
I'm (4) thinkin' I don't like (5)	And we never stop, we never stop
else	Everybody's ragin', ragin' crazy
You know whatever happens	Put your hands up
I (6) be right by your side	Put your hands up
You, me in the spotlight	I like you and you like me
Running around till the end of the night	We get (22) and we're happy
Hot, hot (7) it comin'	Did you (23) me say that?
We can rock out till the early morning	Did, did, did you hear me say that?
You, me, goin' all night	Snap!
We don't care who's wrong and who's right	And I like the way that we kiss
Hot, hot, keep it comin'	You and me (24) like this
We can rock out till the early morning	Did you hear me say that?
Everybody's dancin' dancin' crazy	Did, did, did you hear me say that?
And we never stop, we never stop	Snap!
Everybody's ragin', ragin' crazy	(Oh oh, oh oh)
Put your hands up	Everybody's dancin', dancin' crazy
Put (8) hands up	And we never stop, we (25) stop
I like you and you like me	Everybody's ragin', ragin' crazy
We get (9) and we're happy	Put your hands up
Did you hear me say that?	Put your hands up
Did, did, did you hear me say that?	Everybody's dancin', dancin' crazy
Snap!	And we (26) stop, we never stop
And I like the way (10) we kiss	Everybody's ragin', ragin' crazy
You and me together like this	Put (27) hands up
Did you (11) me say that?	Put your (28) up
Did, did, did you hear me say that?	I (29) you and you like me
Snap!	We get together and we're happy
Another night (12) (13) crank that	Did you hear me say that?
music up	Did, did, did you hear me say that?
We don't know where we're goin'	Snap!
And I don't know (14) I'm at	And I like the way that we kiss
It doesn't (15) cause we always	You and me together like this
(16) what's up	Did you hear me say that?
I know whatever happens	Did, did, did you hear me say that?
You will be right by my side	Snap!
You, me in the spotlight	
Running (17) till the end of the night	
Hot, hot, keep it comin'	
We can rock out (18) the early morning	
You, me, goin' all night	
We don't care who's (19) and who's right
