SUB inglés

Do you know what I mean?

Fill in the gaps

Nine In The Afternoon by Panic! At The Disco

Back to the street (1) we began	Back to the place
Feeling as good as lovers can, you know	Where we (10) to say
Yeah, we're feeling so good	Man, it feels good to feel (11) way
Picking up (2) we shouldn't read	Now I know (12) I mean
It looks like the end of history as we know	Back to the street, (13) to the place
It's just the end of the world	Back to the room where it all began
Back to the street where we began	Back to the room where it all began
Feeling as good as love, you could, you can	'Cause it's nine in the afternoon
Into a place, where thoughts can bloom	Your eyes are the (14) of the moon
Into a (3) it's (5) in the	You (15) 'cause you can, so you do
afternoon	We're feeling so good
And we know that it could be	Just the way that we do
And we know that it should	When it's (16) in the afternoon
And you know that you feel it too	Your eyes are the size of the moon
'Cause it's nine in the afternoon	You could 'cause you can, so you do
Your (6) are the size of the moon	We're (17) so good
You (7) 'cause you can, so you do	Just the way that we do
We're (8) so good	When it's nine in the afternoon
Just the way that we do	Your (18) are the size of the moon
When it's (9) in the afternoon	You could 'cause you can, so you do
Your eyes are the size of the moon	We're feeling so good
You could 'cause you can, so you do	Just the way that we do
We're feeling so good	When it's (19) in the afternoon
Back to the street	
Down to our feet	
Losing the feeling of feeling unique
