New Perspective by Panic! At The Disco

I feel the salty waves coming
I feel them crash against my skin
And I smile as I respire
Because I know they'll never win
There's a haze above my TV
That changes everything I see
And maybe if I (1)_____ watching
I'll lose the traits that worry me
Can we fast-forward to go (2)_____ on me
Stop there and let me correct it
I (3)_____ live the (4)_____ from a new
perspective
You come along because I (5)_____ your face
And I will admire your (6)_____ taste
Who cares divine intervention
I wanna be praised from a new perspective
But leaving now could be good idea
So catch me up I'm getting out of here
Can we fast-forward to go down on me
Taking everything for granted
But we still respect the time
We move along with some new passion
Knowing everything it's fine
I would wait and watch the hours fall
In a hundred separate lines
But I (7)_____ repose and wonder
How I ended up inside
Can we fast-forward to go down on me
Stop there and let me correct it
I wanna live the life from a new perspective
You come along because I love your face

And I'll admire your expensive taste
Who cares divine intervention
I wanna be praised from a new perspective
But leaving now (8)_____ be a good idea
So catch me up I'm getting out of here
Catch me up I'm getting out of here
More than the point I need to show
How much I can (9)_____ and go
Other plans fell through
And put a heavy load on you
I know there's no more that need be said
When I'm inching through your bed
Take a look around instead and watch me go...
Stop there and let me correct it
I wanna live the life (10)_____ a new perspective
You come along because I love your face
And I'll admire your expensive taste
Who cares divine intervention
I wanna be praised from a new perspective
But leaving now could be a good idea
So catch up I'm getting out of here
It's not fair just let me perfect it
Don't wanna live the the life that is comprehensive
'Cause see it clear could be a bad idea
Now catch me up I'm getting of here
So catch me up I'm getting out of here
...

Fill in the gaps
