New Perspective by Panic! At The Disco

I feel the salty waves coming
I feel them crash against my skin
And I (1)_____ as I respire
Because I know they'll (2)_____ win
There's a haze above my TV
That changes everything I see
And maybe if I continue watching
I'll lose the traits that worry me
Can we fast-forward to go down on me
Stop there and let me correct it
I (3)_____ live the (4)_____ from a new
perspective
You come along because I love your face
And I will admire your expensive taste
Who cares divine intervention
I wanna be praised (5)_____ a new perspective
But leaving now could be good idea
So catch me up I'm getting out of here
Can we fast-forward to go down on me
Taking everything for granted
But we still (6)_____ the time
We move along with some new passion
Knowing everything it's fine
I would wait and watch the hours fall
In a hundred separate lines
But I regain repose and wonder
How I ended up inside
Can we fast-forward to go down on me
Stop there and let me correct it
I wanna live the life from a new perspective
You come along because I love (7)_____ face

And I'll admire you expensive taste
Who cares divine intervention
I wanna be praised from a new perspective
But leaving now could be a good idea
So catch me up I'm getting out of here
Catch me up I'm (8)_____ out of here
More than the point I need to show
How much I can come and go
Other plans fell through
And put a heavy load on you
I know there's no more that need be said
When I'm inching (9)_____ your bed
Take a look around instead and watch me go...
Stop there and let me correct it
I wanna live the life from a new perspective
You come along because I love your face
And I'll admire your expensive taste
Who cares divine intervention
I wanna be praised from a new perspective
But leaving now could be a good idea
So catch up I'm (10)_____ out of here
It's not fair just let me perfect it
Don't wanna live the the life that is comprehensive
'Cause see it clear could be a bad idea
Now catch me up I'm getting of here
So catch me up I'm getting out of here
...

Answer

1. smile
