## Haven't Met You Yet by Michael Bublé

I'm not surprised, not (1) lasts	I just haven't met you yet
I've broken my heart so (2) times	They say all's fair
I stopped (3) track	In love and war
Talk myself in, I talk myself out	But I won't need to fight it
I get all worked up	We'll get it right and we'll be united
Then I let myself down	And I know (16) we can be so amazing
I tried so (4) hard not to lose it	And (17) in your (18) is gonna
I came up (5) a million excuses	change me
I thought, I thought of every possibility	And now I can see every single possibility
And I know someday (6) it'll all turn out	And someday I know it'll all turn out
You'll make me work	And I'll work to work it out
So we can (7) to work it out	Promise you kid
And I promise you kid	I'll give more than I get, than I get
That I give so much more (8) I get	Than I get, than I get
I just haven't met you yet	(Oh) You know it'll all turn out
(Mmmm mm mmm)	And you'll make me work
I might have to wait	So we can work to work it out
I'll never give up	And I promise you kid
I guess it's half timing	To give so much (19) than I get
And the other half's luck	(Yeah) I (20) haven't met you yet
Wherever you are, whenever it's right	I (21) haven't met you yet
You'll come out of nowhere and (9) my life	(Oh) Promise you, kid
And I (10) (11) we can be so amazing	To (22) so much (23) than I get
And baby your love is gonna change me	I (24) love, love, love
And now I can see every (12) possibility	Love, love
(Mmm)	I (25) haven't met you yet
And I know (13) (14) it'll all turn	Love, love, love
out	Love, love
You'll make me work	I just haven't met you yet
So we can work to (15) it out	
And I promise you kid
