

This is the time

We waited too long

And I'm wondering				
Where I belong				
We have lost				
We're out of control				
When we fail nature speaks to us all				
This is the time				
I'll tell you why				
The world's (1) alone				
Now's the time				
To make right what's wrong				
We have lost				
We're out of control				
If we're straight can we hear nature's call				
When we fail nature speaks to us all				
This is the time				
So what's the world to be				
Just a luxury				
A temporary sing?				
But what have we got				
When is gone away?				
We (2) to come to see				
What the earth should be				
A sanctuary free				
A renewed paradise still alive				
This is the time				
The sky and the sea				
We speak the paragons				
We (3) to seed				
We (4) lost				

We're out of control

In your eyes			
Still alive in your eyes
