

We're out of control

Fill in the gaps

This is the time	If we're (6) can we hear nature's call
We (1) too long	When we fail nature speaks to us all
And I'm wondering	This is the time
Where I belong	So what's the world to be
We have lost	Just a luxury
We're out of control	A temporary sing?
When we fail nature speaks to us all	But (7) have we got
This is the time	When is gone away?
I'll tell you why	We need to come to see
The world's left alone	What the earth should be
Now's the time	A sanctuary free
To make right what's wrong	All that we sacrified
We have lost	In the end has it's price
We're out of control	A renewed paradise (8) alive
If we're straight can we hear nature's call	In your eyes
When we (2) nature speaks to us all	This is the time
This is the time	So what's the world to be
So what's the world to be	Just a luxury
Just a luxury	A temporary sing?
A temporary sing?	But what have we got
But (3) (4) we got	When is (9) away?
When is gone away?	We need to come to see
We need to come to see	What the earth should be
What the (5) should be	A sanctuary free
A sanctuary free	All that we sacrificed
A renewed paradise still alive	In the end has it's price
This is the time	A renewed paradise still alive
The sky and the sea	In your eyes
We speak the paragons	Still alive in your eyes
We planted to seed	
We have lost
