

Fill in the gaps

Declining, all color fading	Nothing to contend
Defining, time coming for me	When I'm free
Rescinding, my inspiration	Time is just a concept
Receding consciousness	And always the (19) thing to fade
Back in the day I can recall that	Agony and weakness
My thoughts were (1) and sage	Nothing we can never evade
There was no black staining the (2) of my	Years are cruel, they (20) us
memories	Bringing on decay and despair
Now there's a (3) pushing me sideways	Awareness and perception
And (4) me nothing to gain	Something we can (21) repair
Taking me back, (5) me (6) in	Freedom for me is all I'm really wanting, needing
disparity	Give me (22) to break out
Where was I (7) to be?	I can't (23) on for any longer
feel I'm (8) in a dream	My (24) has (25) to end it all
ong for the day I can be myself	No one to blame, fate's only random
When I'm free	It's nothing we'll ever explain
When my sun has set	So it remains
Released my (9) forever	Where was I meant to be?
'll have no regret	I feel I'm lost in a dream
To be free	Long for the day I can be myself
'll (10) again	Free
No (11) lost endeavors	When (26) I be unleashed?
Nothing to contend	It's not the way it (27) be
When I'm free	Yearning again only to be myself
Color declines, all that (12) me	When I'm free
s falling away, far behind	When my sun has set
Nothing to keep me (13) the time	Released my (28) forever
The (14) and now	I'll have no regret
Where am I (15) to be?	To be free
feel I'm lost in a dream	I'll exist again
Yearning again (16) to be myself	No more lost endeavors
When I'm free	Nothing to contend
When my sun has set	When I'm free
Released my soul forever	
'll have no regret	
To be free	
'll (17) again	
No more (18) endeavors
