

No more lost endeavors

Fill in the gaps

Declining, all color fading	Nothing to contend
Defining, time coming for me	When I'm free
Rescinding, my inspiration	Time is just a concept
Receding consciousness	And always the first thing to fade
Back in the day I can (1) that	Agony and weakness
My thoughts were unclouded and sage	Nothing we can never evade
There was no (2) (3) the	Years are cruel, they break us
walls of my memories	Bringing on decay and despair
Now there's a haze (4) me sideways	Awareness and perception
And leaving me nothing to gain	Something we can never repair
Taking me back, (5) me cold in disparity	Freedom for me is all I'm (8) wanting, needing
Where was I meant to be?	Give me (9) to break out
I feel I'm (6) in a dream	I can't hold on for any longer
Long for the day I can be myself	My time has (10) to end it all
When I'm free	No one to blame, fate's only random
When my sun has set	It's nothing we'll ever explain
Released my (7) forever	So it remains
I'll have no regret	Where was I meant to be?
To be free	I feel I'm lost in a dream
I'll exist again	Long for the day I can be myself
No more lost endeavors	Free
Nothing to contend	When will I be unleashed?
When I'm free	It's not the way it should be
Color declines, all that defines me	Yearning again only to be myself
Is falling away, far behind	When I'm free
Nothing to keep me with the time	When my sun has set
The here and now	Released my soul forever
Where am I meant to be?	I'll have no regret
I feel I'm lost in a dream	To be free
Yearning again only to be myself	I'll exist again
When I'm free	No more lost endeavors
When my sun has set	Nothing to contend
Released my soul forever	When I'm free
I'll have no regret	
To be free	
I'll exist again
