

## Fill in the gaps

Hello me, meet the (1) me			I'm in trouble for the things	
And my misfits way of life			I haven't got to yet	
A dark black past is my			I'm sharpening the axe	
Most valued possession			And my palms are getting wet	
Hindsight is always 20-20			Sweating bullets	
But looking back it's still a bit fuzzy			Well, me, it's nice talking to myself	
Speak of mutually (2) destruction?		A credit to dementia		
Nice story, tell it to Reader's Digest!		Some day you too will know my pain		
Feeling paranoid			And smile its black tooth grin	
True enemy or false friend?			If the war inside my head	
Anxiety's attacking me			Won't take a day off I'll be dead	
And my air is getting thin			My icy (6)	claw (7) back
I'm in trouble for the things			Here I come again	
I haven't got to yet			Feeling paranoid	
I'm chomping at the bit			True enemy or false friend?	
And my palms are getting wet			Anxiety's (8)	me
Sweating bullets			And my air is getting thin	
Hello me, it's me again			Once you (9)	me
You can subdue, but never tame me			Now you've acquitted me	
It gives me a migraine headache			Claiming validity	
Thinking down to your level			For your stupidity	
Yeah, (3)	keep on thinking it	s my fault	I'm chomping at the bit	
And stay an inch or two outta kicking distance			I'm sharpening the axe	
Mankind has got to know			Here I come again	
His limitations			(Whoa)	
Feeling claustrophobic		Sweating bullets		
Like the (4)	are closing in			
Blood (5) on my hands				
And I don't know whe	ere I've been
