Public Enemy No. 1 by Megadeth

Fill in the gaps

Public enemy number one	I'll be on my way
Jailbait and a smoking gun	There's no time to stay
You won't (1) the things I've done	With the enemies I've made
Every killing was just for fun	I'm invincible
Public (2) number one	You might say despicable
Stole a car and I'm on the run	Punishments reciprocal
Through the night to the (3) sun	Public enemy number one
And the trouble has just begun	I'm unbeatable
Roses on your grave	My mind's untreatable
I'll be on my way	Crimes, unrepeatable
There's no (4) to stay	Public enemy number one
With the enemies I've made	They say that I'm wanted
I'm invincible	Dead or dead
You might say despicable	Everyone who's tried
Punishments reciprocal	Got a (8) to their head
Public (5) one	I'm invincible
I'm unbeatable	You might say despicable
My mind's untreatable	Punishments reciprocal
Crimes, repeatable	Public enemy number one
Public enemy number one	I'm beatable
Public enemy number one	My mind's untreatable
Watch the authorities come undone	Crimes, unrepeatable
Whit every standoff I've won	Public (9) number one
Flirting death is just for fun	Public enemy
Public enemy number one	Public enemy
Born fugitive father's son	Public enemy
Another heist of a bank is done	Public enemy
And the (7) has just begun
