# The Unforgiven II by Metallica

## Fill in the gaps

Lay beside me	
Tell me what they've done	
Speak the words I (1)	hear
To make my demons run	
The door is locked now	
But it's open if you're true	
If you can understand the me	
Then I can understand the you	
Lay beside me	
Under (2) sky	
The black of day	
Dark of night	
We share this paralyze	
The door cracks open	
But there's no sun (3)	through
But there's no sun (3)Black heart scarring darker still	through
	through
Black heart scarring darker still	through
Black heart scarring darker still  But there's no sun shining through	through
Black heart scarring darker still  But there's no sun shining through  No, there's no sun shining through	through
Black heart scarring darker still  But there's no sun shining through  No, there's no sun shining through  No, there's no sun shining	through
Black heart scarring darker still  But there's no sun shining through  No, there's no sun shining through  No, there's no sun shining  What I've felt	through
Black heart scarring darker still  But there's no sun shining through  No, there's no sun shining through  No, there's no sun shining  What I've felt  What I've known	through
Black heart scarring darker still But there's no sun shining through No, there's no sun shining No, there's no sun shining What I've felt What I've known Turn the pages	through
Black heart scarring darker still But there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages Turn the stone	through
Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages Turn the stone Behind the door	through
Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages Turn the stone Behind the door Should I (4) it for you?	through

Sick and tired

#### Fill in the gaps

# I stand alone Could you be there 'Cause I'm the one who waits for you Or are you unforgiven too? Come lay beside me This won't hurt, I swear She loves me not She loves me still But she'll never love again She lay beside me But she'll be there when I'm gone Black heart scarring (5)\_\_\_\_\_ still Yes, she'll be there when I'm gone Yes, she'll be there when I'm gone Dead sure she'll be there What I've felt What I've known Turn the pages Turn the stone Behind the door Should I open it for you? Yeah What I've felt What I've known Sick and tired I stand alone Could you be there

'Cause I'm the one who waits for you

Or are you unforgiven too?

Lay beside me

JUB inglês
Tell me what I've done
The door is closed, so are your eyes
But now I see the sun
Now I see the sun
Yes, now I see it
What I've felt
What I've known
Turn the pages
Turn the stone
Behind the door
Should I (6) it for you?
Yeah
What I've felt
What I've known
So sick and tired
I stand alone
Could you be there
'Cause I'm the one who waits
The one who waits for you
(Oh)
What I've felt
What I've known
Turn the pages
Turn the stone
Behind the door
Should I open it for you?
So I dub (7) unforgiven (oh)
What I've felt

(Oh) what I've known

I take this key

# Fill in the gaps

Because you're (9)	too
Never free	
Never me	
'Cause you're unforgiven too	
(Oh)
