The Best You Never Had by Leona Lewis

I was so in (1) with you	No, No, No
There was nothing I could do	You saw me as a friend,
Wouldn't give me the time of day	Baby I don't want revenge,
Now you wanna be (2) me	But if you must know the truth,
You say you wanna be with me	What you didn't see in me
You said I was the best	Reflects (8) you will never be now,
Gave your love out to the rest	When you're telling me I was (9) the one
There was nothing I could say	I feel your desperation.
But now it's going (3) for me	[Chorus]
You say you (4) be with me	Back rubs, good love, my stuff
Now	That's what you missed out on
Yeah, you're telling me that I am where it's at	My touch so much we could have
But I ain't having none of that	You miss,
[Chorus:]	My kiss,
Because I (5) you, you'd live to (6)	My lips,
it,	The love I had for you
and now I don't wanna make you feel bad,	Our song, so long
But when it comes to me just forget it,	[Chorus x2]
I'll be the best you never had,	Well I will always be the best you never had
You put me through so many emotions,	The best you never had
Now baby it's your turn for that,	
'cause in your (7) heart I have left a mark,
