The Best You Never Had by Leona Lewis

was so in love (1) you	No, No, No
There was nothing I could do	You saw me as a friend,
Nouldn't give me the time of day	Baby I don't want revenge,
Now you wanna be (2) me	But if you must (14) the truth,
You say you (3) be with me	What you didn't see in me
You (4) I was the best	Reflects (15) you (16) (17)
Gave your love out to the rest	be now,
There was nothing I (5) say	When you're telling me I was always the one,
But now it's going good for me	I feel your desperation.
You say you wanna be with me	[Chorus]
Now	Back rubs, (18) love, my stuff
Yeah, you're (6) me that I am where it's at	That's what you missed out on
But I ain't (7) (8) of that	My touch so much we could have
Chorus:]	You miss,
Because I told you, you'd (9) to regret it,	My kiss,
and now I don't wanna make you (10) bad,	My lips,
But when it comes to me just forget it,	The (19) I had for you
Il be the best you never had,	Our song, so long
You put me through so many emotions,	[Chorus x2]
Now baby it's (11) (12) for that,	Well I will (20) be the (21) you
cause in your (13) heart I have left a mark,	never had
The best you never had.	The (22) you never had
