

Fill in the gaps

The Suburbs (Live) by Arcade Fire

in the suburbs i	Sometimes i can't (16) it
I (1) to drive	I'm moving (17) the feeling, (18) th
And you told me we'd (2) survive	night
Grab your mother's keys, we are leaving	So can you understand
You (3) seemed so sure	Why I want a (19) while I'm still young?
That one day we'd be fighting	I want to hold her hand
In a suburban war	And show her some beauty before
Your (4) of (5) (6)	All this (20) is done
me	But if it's too much to ask, if it's too much to ask
I saw you standing on the opposite shore	Then send me a son
But by the time the (7) bombs fell	Under the overpass
We were already bored	In the (21) lot we're still waiting
We (8) already, already bored	It's already past
Sometimes I can't (9) it	So (22) (23) feet from hot pavement
I'm moving past the feeling	And into the grass
Sometimes I can't (10) it	'Cause it's (24) past
I'm moving (11) the (12) again	It's already, already past
The kids want to be so hard	Sometimes I can't believe it
But in my dreams we're still screaming	I'm moving past the feeling
And running (13) the yard	Sometimes I can't believe it
When all of the walls (14) they built	I'm moving past the feeling again
In the 70's finally fall	I'm moving past the feeling
And all of the (15) they built	I'm moving past the feeling
In the 70's finally fall	In my dreams we're (25) screaming
Meant nothing at all?	We're (26) screaming
It meant nothing at all, it meant nothing	We're still screaming
Sometimes I can't believe it	
I'm moving past the feeling
