

When you think of me?

Fill in the gaps

All I Want by A Day To Remember

	All I want is a place to call my own
I'm always screaming my lungs out	To mend the hearts of everyone who feels alone
'Til my head starts spinning	You (14) to keep your hopes up high
Playing my (1) is the way I cope with life	And your (15) down low
Won't keep my voice down	All I want is a place to call my own
Know the (2) I speak	To mend the (16) of everyone who feels alone
Are the thoughts I think out loud	You know to (17) your hopes up high
I (3) to keep things honest	And your head down low
I'm a safe bet (4) (5) life's staked on it	If you take it from me
for real	Live your life for yourself
I'd hate to keep you all wondering	'Cause (18) it's all said and done
I'm constant like the seasons	You don't need anyone else c'mon
I will (6) be forgotten man	So let's get back to when
Let's leave no words unspoken	Everything seemed perfect
And save regrets for the broken	Not a worry in the world
Will you even (7) back	Tell me was this all worth it?
When you think of me?	I get what I want so everyone's always judging me
All I want is a place to call my own	I'm not afraid of anything
To mend the hearts of (8) who feels	And I've got the whole world in front of me
alone	All I want is a (19) to call my own
(Whoa)	To mend the hearts of everyone who feels alone
You know to keep (9) hopes up high	You (20) to (21) your hopes up high
And your head down low	And your (22) down low
Keep your hopes up high and your (10) down low	All I (23) is a place to (24) my own
Still got (11) left to prove	To mend the hearts of everyone who feels alone
It tends to keep things movin'	You know to (25) your hopes up high
While everyone around me says	And your head down low
My (12) days are looming overhead	Keep your heads down low
But just what the hell do they think they know?	Keep your heads (26) low
I keep my head above the water	Keep your hopes up high
While they (13) in the undertow	Keep your heads down low
Let's leave no words unspoken	
And save regrets for the broken	
Will you even look back
