•••	All I want is a place to call my own
I'm always screaming my (1) out	To mend the hearts of everyone who feels alone
'Til my head starts spinning	You know to keep your hopes up high
Playing my songs is the way I (2) with life	And your (8) down low
Won't keep my voice down	All I want is a place to call my own
Know the words I speak	To mend the hearts of everyone who feels alone
Are the thoughts I (3) out loud	You know to keep your hopes up high
I like to keep things honest	And your head down low
I'm a safe bet like your life's staked on it for real	If you take it from me
I'd hate to keep you all wondering	Live your life for yourself
I'm constant like the seasons	'Cause when it's all said and done
I will never be forgotten man	You don't need anyone else c'mon
Let's leave no words unspoken	So let's get back to when
And save (4) for the broken	Everything seemed perfect
Will you (5) look back	Not a worry in the world
When you think of me?	Tell me was this all worth it?
All I want is a place to call my own	I get what I want so everyone's always (9)
To mend the hearts of everyone who feels alone	me
(Whoa)	I'm not afraid of anything
You know to keep your hopes up high	And I've got the whole world in front of me
And your head down low	All I want is a place to call my own
Keep (6) hopes up high and your head down low	To mend the hearts of everyone who feels alone
Still got something left to prove	You know to keep your hopes up high
It tends to keep things movin'	And your head down low
While everyone around me says	All I want is a place to call my own
My last days are looming overhead	To (10) the hearts of everyone who feels alone
But just what the hell do (7) think they know?	You know to keep your hopes up high
I keep my head above the water	And your head down low
While they drown in the undertow	Keep your heads down low
Let's leave no words unspoken	Keep your heads down low
And save regrets for the broken	Keep your hopes up high
Will you even look back	Keep your heads down low
When you think of me?
