

Fill in the gaps

Laserlight by Jessie J & David Guetta

In the blink of a night	And the (/) starts sha-sha-shaking
I was falling from the sky	They keep talking, talking, talking
In the blur, you took my breath away	But we're walking, walking, to the light
And my heart starts beating	Tonight, tonight
And my (1) (2) breathing	You're like a laserlight, (8) up
And the voice in my head starts screaming	Burning down, on me
I'm alive!	You're like a laserlight, burning up
You're like a laserlight, burning up	Burning down, on me
Burning down, on me	You make me feel good
You're like a laserlight, burning up	You make me feel safe
Burning down, on me	You make me feel like I could live another day
You make me feel good	You (9) me feel good
You make me feel safe	You make me feel safe
You make me feel like I (3) (4)	You know I wouldn't have it any other way
another day	(Oh, oh, ohplease don't stop)
You make me feel good	(Oh, oh, ohI won't stop)
You make me (5) safe	(Oh, oh, ohwe won't stop)
You know I wouldn't (6) it any other way	In the blink of a night
(D-D-D-David G)	I was falling from the sky
(Je-Je-Jessie J)	In the blur, you took my breath away
You and me, face to face	
And there's so much I could say	
On these words, and forever seem the silence	
Can you hear, that box bre-brea-breaking
