

Fill in the gaps

One more kiss (1) be the best thing	I'm torn (17) this life I lead and where I
Or one more lie could be the worst	stand
And all these thoughts are never resting	You love me but you don't know who I am
And you're not something I deserve	So let me go, (18) let me go
In my head there's only you now	Let me go
This (2) on me	And no matter how hard I try
In this (4) there's (5) and	I can't escape these things inside
(6) believe	I know, I know
This seems (7) to me	But all the (19) fall apart
You love me but you don't know who I am	You will be the only one who knows, who knows
I'm torn between (8) life I (9) and where	You love me but you don't (20) who I am
I stand	I'm torn (21) this life I lead and where I
You (10) me but you don't know who I am	stand
So let me go	And you (22) me but you don't know who I am
Let me go	So let me go, just let me go
I dream we head to what I hope for	You love me but you don't
And I turn my back on loving you	You (23) me but you don't
How can this (11) be a good thing	You love me but you don't (24) who I am
And I know what I'm going through	You love me but you don't
In my (12) there's only you now	You (25) me but you don't
This world falls on me	You (26) me but you don't (27) me
In this world there's (13) and make believe	
And this (14) to me	
And you (16) me, but you don't know who I am
