I'm Not A Vampire by Falling In Reverse

	(Hi, Ronnie!)
Well I'm not a vampire	Daddy should've (6) raised me on Black
But I feel like one	Sabbath!
Sometimes I sleep all day	I'm insane
Because I (1) the sunlight	Well, I can feel it in my bones
My (2) are always shaking	Coursing through my veins
Body's always aching	When did I become so cold?
And the dark is when I feed	For goodness sake
Well I can lure any woman (3) I want to	Where is my self control?
In my bed with me	If home is where my heart is
And whiskey seems to be my holy water	Then my heart has lost all hope
Mothers better lock your doors	God bless all of you now
And hide (4) daughters	'Cause I'm (7) straight to hell
I'm insane	And I'm taking you down with me
Well, I can feel it in my bones	'Cause you know damn well
Coursing through my veins	I'm insane
When did I become so cold?	Well, I can feel it in my bones
For goodness sake	Coursing through my veins
Where is my self-control?	When did I (8) so cold?
If home is where my heart is	I'm insane
Then my heart has lost all hope	Well, I can feel it in my bones
Well I'm not a zombie	Coursing through my veins
But I feel like one today	When did I (9) so cold?
Self-induced comatose, chemical daze	For goodness sake
My head is always spinning	Where is my self control?
From this dizzy, blurry vision	If home is where my heart is
And my (5) has had enough	Then my heart has lost all hope
I feel like a lady	All hope
That is pregnant with a baby	All hope
'Cause I'm always throwing up
