## I'm Not A Vampire by Falling In Reverse

	(Hi, Ronnie!)
Well I'm not a vampire	Daddy should've never (8) me on Black
But I feel like one	Sabbath!
Sometimes I sleep all day	I'm insane
Because I hate the sunlight	Well, I can feel it in my bones
My (1) are always shaking	Coursing through my veins
Body's always aching	When did I become so cold?
And the (2) is when I feed	For goodness sake
Well I can lure any woman that I want to	Where is my self control?
In my bed (3) me	If home is where my heart is
And whiskey seems to be my holy water	Then my heart has lost all hope
Mothers (4) lock your doors	God bless all of you now
And hide (5) daughters	'Cause I'm going (9) to hell
I'm insane	And I'm taking you down with me
Well, I can feel it in my bones	'Cause you know (10) well
Coursing through my veins	I'm insane
When did I become so cold?	Well, I can feel it in my bones
For goodness sake	Coursing through my veins
Where is my self-control?	When did I become so cold?
If home is where my heart is	I'm insane
Then my heart has lost all hope	Well, I can feel it in my bones
Well I'm not a zombie	Coursing through my veins
But I feel like one today	When did I become so cold?
Self-induced comatose, chemical daze	For goodness sake
My (6) is always spinning	Where is my self control?
From this dizzy, blurry vision	If home is where my heart is
And my stomach has had enough	Then my heart has lost all hope
I (7) like a lady	All hope
That is pregnant with a baby	All hope
'Cause I'm always throwing up
