

Fill in the gaps

I dig my toes into the sand	I wish you (6) here
The ocean (1) like a thousand diamonds	I wish you were here
Strewn across a blueblanket	I wish you were here
I lean against the wind	Wish you (7) here
Pretend (2) I am weightless	
And in (3) moment I am happy	The world's a rollercoaster
Нарру	And I am not strapped in
I wish you were here	Maybe I should hold (8) care
I wish you were here	While my hands are (9) in the air saying
I (4) you were here	I wish you were here
I wish you were here	I wish you were
I lay my head into the sand	I wish you were here
The sky resembles a back-lit canopy	I wish you (10) here
With holes punched in it	I wish you were here
I'm (5) UFO's	Wish you were here
I signal them with my lighter	
And in this moment I am happy
