

Fill in the gaps

i dig my toes into the sand
The ocean (1) like a thousand diamonds
Strewn (2) a blueblanket
I lean against the wind
Pretend that I am weightless
And in this moment I am happy
Нарру
I wish you were here
I wish you (3) here
I wish you (4) here
I wish you were here
I lay my head into the sand
The sky resembles a back-lit canopy
With holes punched in it
I'm counting UFO's
I (5) them (6) my lighter
And in this moment I am happy
Нарру

I (7) you (8) here
I wish you were here
I wish you were here
Wish you were here
The world's a rollercoaster
And I am not strapped in
Maybe I should hold (9) care
While my hands are busy in the air saying
I wish you were here
I wish you were
I wish you were here
I wish you were here
I wish you were here
Wish you were here
