Fill in the gaps

When You Were Around by Lene Marlin

I miss those times,	Haven't heard from you,
I miss those days	I (6) means
When you (1) around,	That I'm no good no more,
in so many ways	that's what it seems
And it felt so safe,	And I, was waiting patiently,
and I was glad.	But you never came
But now something's changed,	I realize it now, won't ever be the same again
That makes me sad	Won't ever be the same again
And I, was (2) patiently,	You see, I gave up waiting - for you to care
But you (3) came	You're not there,
I realize it now, won't (4) be the same again	and I wonder if you ever were
Won't ever be the same again	And I, was (8) patiently,
If you're (5) fine,	But you never came
I don't know	I realize it now, won't (9) be the same again
You see, I gave up calling	Won't ever be the same again
