

Fill in the gaps

When You Were Around by Lene Marlin

I miss those times,	Haven't heard from you,
I miss (1) days	I (7) (8) means
When you (2) around,	That I'm no (9) no more,
in so many ways	that's (10) it seems
And it felt so safe,	And I, was (11) patiently,
and I was glad.	But you (12) came
But now something's changed,	I realize it now, won't (13) be the same again
That makes me sad	Won't (14) be the same again
And I, was (3) patiently,	You see, I gave up (15) for you to care
But you (4) came	You're not there,
I realize it now, won't ever be the same again	and I wonder if you (16) were
Won't ever be the same again	And I, was (17) patiently,
If you're doing fine,	But you never came
I don't know	I (18) it now, won't (19) be the
You see, I (5) up calling	same again
long (6) ago	Won't ever be the same again
