Fill in the gaps

When You Were Around by Lene Marlin

I miss those times,	Haven't heard from you,
I miss those days	I guess that means
When you were around,	That I'm no (3) no more,
in so (1) ways	that's what it seems
And it felt so safe,	And I, was waiting patiently,
and I was glad.	But you never came
But now something's changed,	I realize it now, won't (4) be the same again
That makes me sad	Won't (5) be the same again
And I, was (2) patiently,	You see, I gave up waiting - for you to care
But you never came	You're not there,
I realize it now, won't ever be the same again	and I wonder if you ever were
Won't ever be the same again	And I, was waiting patiently,
If you're doing fine,	But you never came
I don't know	I realize it now, won't ever be the same again
You see, I gave up calling	Won't ever be the same (6)
