

Fill in the gaps

I'd like to close my eyes, go numb
But there's a cold wind coming from
The top of the (1) high-rise today
It's not a breeze 'cause it blows hard
Yes and it wants me to discard
The humanity I know
Watch the (2) blow away
So don't let the world
Bring you down
Not everyone here
Is that ***** up and cold
Remember why you came
And while you're alive
Experience the warmth
Before you grow old
So do you think I should adhere
To that pressing new frontier?
And leave in my wake a (3) of fear?
Or should I hold my head up high
And (4) a wrench in (5) by
Leaving the air behind me clear?
So don't let the world

Bring you down
Not everyone here
Is that ***** up and cold
Remember why you came
And while you're alive
Experience the warmth
Before you grow
So don't let the world
Bring you down
Not (6) here
Is that (7) up and cold
Remember why you came
And while you're alive
Experience the warmth
Before you (8) old
Before you grow old
Where did it go?
Where did it go?
Where did it go?

- 1. highest
- 2. warmth
- 3. trail
- 4. throw
- 5. spokes
- 6. everyone
- 7. *****
- 8. grow
