Bring you down

I'd (1) to close my eye	es, go numb
But there's a cold wind coming fr	om
The top of the (2)	high-rise today
It's not a breeze 'cause it blows h	nard
Yes and it wants me to discard	
The humanity I know	
Watch the warmth blow away	
So don't let the world	
Bring you down	
Not everyone here	
Is that ***** up and cold	
Remember why you came	
And while you're alive	
Experience the warmth	
Before you (3) old	
So do you think I should adhere	
To (4) pressing new f	rontier?
And (5) in my (6)_	a trail of fear?
Or should I hold my head up high	า
And throw a (7)	in spokes by
Leaving the air (8)	_ me clear?
So don't let the world	

Not everyone here Is that ***** up and cold Remember why you came And while you're alive Experience the warmth Before you grow So don't let the world Bring you down Not (9)_ Is that ***** up and cold Remember why you came And while you're alive Experience the warmth Before you grow old Before you grow old Where did it go? Where did it go? Where did it go? Where did it go?
