Coming towards her	Struck from a great height
Stuck still no turning back	By someone who should (17) better than that
She hid (1) corners and she hid under beds	The dog days are over
She killed it with (2) and (3) it she	The dog days are done

With every (4) she sank (5) her	'Cause here (18) come

The dog days are over	For your (21) and brothers
The dog (10) are done	Leave all your (22) and your longing behind
The (11) are coming	You can't (23) it with you if you (24)
So you better run	to survive
