## Rabbit Heart (Raise it Up) by Florence + The Machine

The looking glass, so (1)_	and new	Who is the lamb and who is the knife?		
How (2)	the glamour fades	Midas is king and he holds me so tight		
I start spinning, slipping out of time		And turns me to gold in the sunlight	And turns me to gold in the sunlight	
Was that the wrong pill to take? (Raise it up)		Raise it up, (7) it up		
You made a deal		Raise it up, raise it up		
And now it (3)	_ you have to offer up	And in the (8) I shed m	ny skin	
(Raise it up, raise it up)		And it blows away (9) the c	hanging wind	
Here I am, a rabbit hearted girl		The waters turn from blue to red		
Frozen in the headlights		As towards the sky I offer it		
It seems I've made the final sacrifice		This is a gift, it comes with a price		
We raise it up		Who is the lamb and who is the knife?		
This is a gift, it comes with a price		Midas is king and he holds me so tight		
Who is the (4) and who is the knife?		And turns me to gold in the sunlight		
Midas is king and he (5) me so tight		This is a gift, it comes with a price		
And turns me to gold in the sunlight		Who is the lamb and who is the knife?		
I look around, but I can't find you (raise it up)		Midas is king and he holds me so tight		
If only I could see your face (raise it up)		And turns me to gold in the sunlight		
Instead of rushing towards the skyline (raise it up)		This is a gift, it comes with a price		
I wish that I could just be brave		Who is the lamb and who is the knife?		
I must become a (6) hearted girl		Midas is king and he holds me so tight		
Ready for a fight		And turns me to gold in the sunlight		
Before I make the final sacrifice		This is a gift		
We raise it up				
This is a gift, it comes with	a price
