	And I get to the place where I'm begging for a lift
I let the beast in too soon	Or I'll (3) in the wonders and the was
I don't know how to live without my hand on his throat	And I'll be your girl if you say it's a gift
I fight him always and still	And you give me some more of your drugs
Oh, darling, it's so sweet, you think you know how crazy	Yeah, I'll be (4) pet if you just (5) me it's
How crazy I am	a gift
You say you don't spook easy	Cuz I'm tired of whys, choking on whys,
You won't go, but I know, and I (1) that you will	Just need a little because, because
Fast as you can, baby run, free yourself of me	I let the (6) in and then I even tried forgiving him
Fast as you can	But it's too soon
I may be soft in your palm	So I'll fight again, again, again, again
But I'll soon grow hungry for a fight	And for a (7) (8) more I'll soar
And I will not let you win	the uneven wind
My pretty mouth will frame the phrases	Complain and blame the sterile land
That will disprove (2) faith in man	But if you're getting any bright ideas, quiet dear
So if you catch me trying to find my way into your heart	I'm blooming within
From under your skin	Fast as you can, baby wait, (9) me, I'll be out
Fast as you can, baby scratch me out, free yourself	Fast as I can, maybe late but at least about
Fast as you can	Fast as you can leave me, let (10) thing run its
Fast as you can, baby scratch me out, free yourself	route
Fast as you can	Fast as you can
Sometimes my mind don't shake and shift	Fast as you can
But most of the time, it does	Fast as you can
	Fast as you can
