

The rush, too much

## Fill in the gaps

| You're in control                       | And here it comes                         |
|---|---|
| Pressing "pause" on my heartbeat        | When (17) (18) touch mine                 |
| Someone stole all the air               | It's the kiss of life                     |
| So I can't speak now                    | I know                                    |
| I know the (1) is on                    | I know (19) it's a little bit frightening |
| I feel as though                        | We (20) as well be playing                |
| My (2) has come                         | With lightning                            |
| How many times do I fly                 | We (21) like                              |
| Through your head space                 | Like it's our first time                  |
| Now we're speeding away                 | (Oh oh)                                   |
| From a (3) place                        | I know it's a little bit frightening      |
| Yeah your skin                          | We might as (22) be playing               |
| The touch, the kiss                     | With lightning now                        |
| The rush, too much                      | (Oh oh)                                   |
| And (4) it comes                        | (Oh oh)                                   |
| When your lips touch mine               | (Oh oh)                                   |
| It's the (5) of life                    | (Oh oh)                                   |
| I know                                  | Your skin, the touch                      |
| I (6) it's a little bit frightening     | Then kiss, too much                       |
| We might as well be playing             | Your skin, the touch                      |
| With lightning                          | Then kiss, the rush                       |
| We touch like                           | Your skin, the touch                      |
| Like it's our first time                | Then kiss, too much                       |
| (Oh oh)                                 | The rush, the rush                        |
| I know that it is a (8) bit frightening | The rush, the rush                        |
| We might as (9) be playing              | When your (23) touch mine                 |
| With lightning now                      | It's the kiss of life                     |
| (Oh oh)                                 | I know                                    |
| (Oh oh)                                 | I know (24) it's a (25) bit               |
| Just you and me                         | frightening                               |
| And the (10) in the bathroom            | We might as well be playing               |
| Learning (11) they don't                | With lightning                            |
| Teach in the classroom                  | We touch like                             |
| Now, (12) here                          | Like it's our first time                  |
| I feel the fear                         | (Oh oh)                                   |
| Where everything                        | I (26) it's a little bit frightening      |
| Is all so clear                         | We (27) as well be playing                |
| I've (13) addicted to you               | With lightning now                        |
| Since the first hit                     | (Oh oh)                                   |
| Out of (14) (15) a                      | (Oh oh)                                   |
| (16) of electric                        |   |
| Yeah, your skin                         |   |
| The touch, The kiss                     |   |
