

Fill in the gaps

The way you move is (1)	a full on rainstorm	Kiss me on the sidewalk
And I'm a house of cards		Take away the pain
You're the		Cause I see, sparks fly whenever you smile
Kinda reckless that you should send me running		Get me with those green eyes, baby
But I kinda know that I won't get far		As the (7) go down
And you stood there in front of me just		Give me something that'll haunt me
Close enough to touch		When you're not around
Close enough to hope you couldn't see		Cause I see, sparks fly whenever you smile
What I was (2)	of	I'll run my finger through your hair
Drop (3)	now	And watch the lights go wild
Meet me in the pouring rain		Just (8) on keeping your eyes on me
Kiss me on the sidewalk		It's just wrong enough to make it feel right
Take away the pain		Lead me up staircase
Cause I see, sparks fly		Won't you wishper soft and slow
Whenever you smile		I'm (9) by you baby
Get me with those green eyes, baby		Like a firework show
As the lights go down		Drop everything now
Give me something that'll haunt me		Meet me in the pouring rain
When you're not around		Kiss me on the sidewalk
Cause I see, (4)	fly whenever you smile	Take away the pain cause
My mind forgets to remind me		I see sparks fly whenever you smile
You're a bad idea		Get me with those green eyes, baby
You touch me once and it's (5) something		As the (10) go down
You find I'm ever better than you		Give me something that'll haunt me
Imagined I would be		When you're not around
I'm on my guard for the rest of the world		Cause I see, sparks fly whenever you smile
But with you I know it's no good		When sparks fly, Oh baby smile
And I could wait patiently but I really wish you would		When sparks fly
Drop everything now
