

## Fill in the gaps

| Baby slow down                               |  |  |
|--|--|--|
| The end is not as fun as the start           |  |  |
| Please stay a child somewhere in your heart  |  |  |
| I'll give you everything you want            |  |  |
| Except the thing (1) you want                |  |  |
| You are the first one of your kind           |  |  |
| And you feel like no-one before              |  |  |
| You steal right under my door                |  |  |
| And I kneel 'cos I want you some more        |  |  |
| I want the lot of what you got               |  |  |
| And I want nothing that you're not           |  |  |
| Everywhere you go you shout it               |  |  |
| You don't have to be shy about it            |  |  |
| Some things you shouldn't get too good at    |  |  |
| Like smiling, crying and celebrity           |  |  |
| Some people got way too much confidence baby |  |  |
| Baby   |  |  |
| I'll give you everything you want            |  |  |
| Except the thing (2) you want                |  |  |
| You are the first one of your kind           |  |  |
| And you (3) (4) no-one before                |  |  |
|  |  |  |

| You steal (5) under my door                |                |
|--|----------------|
| I (6) 'cos I want you some more            |                |
| I want the lot of what you got             |                |
| And I want nothing (7) you're not          |                |
| Everywhere you go you (8) it               |                |
| You don't have to be shy about it, no      |                |
| And you'll never be alone                  |                |
| Come on now show your soul                 |                |
| You've (9) (10) y                          | our love under |
| control                                    |                |
| Everywhere you go you shout it             |                |
| You don't have to be shy about it          |                |
| Everywhere you go you shout it             |                |
| Oh my my                                   |                |
| And you feel like no-one before            |                |
| You steal right under my door              |                |
| I kneel 'cos I want you some more          |                |
| I want you some more, I want you some more |                |
