

## Fill in the gaps

	You wonder what has (14) to me
Something is about to give	I'm a man, I'm not a child
I can feel it coming	A man who sees
I think I know what it is	The shadow (15) (16) eyes
I'm not (1) to die	Who's to say where the (17) tak
I'm not afraid to live	you
And when I'm flat on my back	Who's to know what it is will (19) you
I hope to (2) like I did	I don't know where the (20) will blow
Cause hardness, it (3) in	Who's to know (21) the time has come around
You (4) some protection	I don't (22) see you cry
The thinner the skin	I know that this is not goodbye
I want you to know	Did I waste it?
That you don't need me anymore	Not so (23) I couldn't taste it
I want you to know	Life should be fragrant
You don't need anyone, (5) at all	Roof top to the basement
Who's to say where the (6) will take you	The (24) of the rock stars
Who's to know (7) it is will break you	When hip hop drove the big cars
I don't know which way the wind will blow	In the (25) when new media
Who's to know when the time has come around	Was the big idea
Don't (8) see you cry	That was the big idea
I (9) is not	Big idea
goodbye	
In (12) I can taste the salt in the sea	
There's a kite blowing out of control on a breeze	
I wonder what's gonna (13) to you
