

Fill in the gaps

Don't believe (1) you hear	I can't let you go
Don't believe (2) you see	And I must be an acrobat
If you just close your eyes you can feel the enemy	To talk (9) this and act like that
When I first met you girl, you had fire in your soul	And you can dream, so (10) out loud
What happened t'your face of melting snow	And don't let the (11) grind you down
Now it looks like this!	What are we going to do now (12) all
And you can swallow or you can spit	(13) said?
You can (3) it up, or choke on it	No new ideas in the house, and (14) book's
And you can dream, so dream out loud	been read
You know that your time is coming round	And I (15) be an acrobat
So don't let the bastards grind you down	To (16) like this and act like that
No, (4) (5) sense, nothing	And you can dream, so dream out loud
seems to fit	And you can find (17) own way out
I (6) you'd hit out if you (7) knew who to	And you can build, and I can will
hit	And you can call, I (18) (19)
And I'd join the movement	until
If there was one I (8) believe in	You can stash and you can seize
Yeah, I'd break bread and wine	In dreams begin responsibilities
If there was a church I could receive in	And I can love, and I can love
'Cause I need it now	And I (20) is
To take the cup	(23) 'round
To fill it up, to drink it slow	So don't let the bastards (24) you down
