I'm a lightning bug trying to fight the sun		
And I, I lost you		
To a (1) in the midnight sky		
You (2) it yourself you won't fool us twic		
So why the hell have you been flying by? (yeah)		
You better come back tonight alone		
You're gonna find you're falling		
And you're (3) on your own		
You better come back tonight, alone		
You're gonna find you're falling		
And you're (4) on your own		
You and I, we are everything but perfect		
But there's no way to learn this		
Without (5) our mistakes		
Somehow I let you slip away (oh)		
There is nothing I believe in (6) than us		
You left me nothing and it's all I've left to trust		
I'm at the edge and turning round, alone		
So, you better come back tonight, alone		
You're gonna find you're falling
