

## Fill in the gaps

Remember the first day when I saw your face	It felt so good to fall in love
Remember the first day (1) you smiled at me	And I knew right then and there you were the one
You (2) to me and then you said to me	I know that he loves me 'cause he told me so
I was the woman you dreamed about	I know that he loves me 'cause his feelings show
Remember the first day when you called my house	When he stares at me, you see he cares for me
Remember the first day when you took me out	You see how he is so deep in love
We had butterflies although we tried to hide	I know (8) he loves me 'cause it's obvious
And we both had a beautiful night	I know that he loves me 'cause it's me he trusts
The way we held each others hand	And he's missing me
The way we talked, the way we laughed	If he's not kissing me
It (3) so good to (4) true love	And when he looks at me, his brown eyes tell it so
I knew right then and there you were the one	I'm so happy
I know that he loves me 'cause he (5) me so	So happy that you're in my life
I know that he loves me 'cause his feelings show	And baby now that you're a part of me
When he stares at me, you see he cares for me	You showed me
You see how he is so deep in love	Showed me the true meaning of love
I know that he loves me 'cause it's obvious	The true meaning of love
I know that he loves me 'cause it's me he trusts	And I know he loves me
And he's missing me if he's not kissing me	I know that he loves me 'cause he told me so
And when he looks at me, his brown (6) tell it so	I know that he loves me 'cause his feelings show
Remember the first day, the first day we kissed	When he stares at me you see he cares for me
Remember the first day we had an argument	You see how he is so deep in love
We apologized and then we compromised	I know that he loves me 'cause it's obvious
And we haven't argued since	I know that he loves me 'cause it's me he trusts
Remember the first day we stopped playing games	And he's (9) me if he's not
Remember the first day you fell in love with me	(10) me
It (7) so good for you to say those words	And when he looks at me his brown eyes tell it so
'Cause I felt the same way too	He looks at me and his brown eyes tell it so
The way we held each others hand	
The way we talked the way we laughed
