

Because of you

Fill in the gaps

I will not make the same mistakes (1) you did	I (15) it hard to (16) not only me, but
I (2) not let myself	everyone around me
Cause my heart so much misery	Because of you
I (3) not break the way you did,	I am afraid
You fell so hard	I (17) you die
I've learned the hard way	I heard you cry every night in (18) sleep
To (4) let it get that far	I was so young
Because of you	You (19) have known (20)
I never stray too far (5) the sidewalk	than to lean on me
Because of you	You never thought of (21) else
I learned to play on the safe side so I don't get hurt	You just saw your pain
Because of you	And now I cry in the middle of the night
I (6) it hard to trust not (7) me, but	For the same damn thing
everyone around me	Because of you
Because of you	I never stray too far from the sidewalk
I am afraid	Because of you
I (8) my way	I (22) to play on the safe side so I don't ge
And it's not too (9) before you (10) it	hurt
out	Because of you
I cannot cry	I try my (23) just to forget everything
Because I know that's weakness in your eyes	Because of you
I'm forced to fake	I don't know how to let anyone else in
A smile, a (11) everyday of my life	Because of you
My heart can't possibly break	I'm (24) of my life (25)
When it wasn't even whole to start with	it's empty
Because of you	Because of you
I (12) stray too far from the sidewalk	I am afraid
Because of you	Because of you
I (13) to play on the safe (14) so	Because of you
I don't get hurt
