

Because of you

Fill in the gaps

I will not (1)	the same mistakes that you did	I find it hard to trust not only me, but everyone around me
I will not let myself		Because of you
Cause my heart so (2) misery		I am afraid
I will not break the way you did,		I watched you die
You fell so hard		I heard you cry every night in your sleep
I've learned the hard way		I was so young
To never let it get that far		You should have known better than to lean on me
Because of you		You never thought of anyone else
I never stray too far from the sidewalk		You just saw your pain
Because of you		And now I cry in the (7) of the night
I learned to play on the safe side so I don't get hurt		For the same damn thing
Because of you		Because of you
I (3) it hard to trust not only me, but everyone		I (8) stray too far from the sidewalk
around me		Because of you
Because of you		I learned to play on the (9) side so I don't get hur
I am afraid		Because of you
I (4) my way		I try my hardest just to (10) everything
And it's not too long before you (5) it out		Because of you
I cannot cry		I don't know how to let anyone else in
Because I know that's (6) in your eyes		Because of you
I'm forced to fake		I'm ashamed of my life because it's empty
A smile, a laugh everyday of my life		Because of you
My heart can't possibly break		I am afraid
When it wasn't even whole to start with		Because of you
Because of you		Because of you
I never stray too far from the sidewalk		
Because of you		
I learned to play or	n the safe side so I don't get hurt
