# Fill in the gaps

Here I am
There you are
Why does it (1) so far?
Next to you is where I (2) be
(Where I wanna be)
Something I
Want so bad
Know what's (3) your head
Maybe I (4) see what you see
(Tell me what you see)
I got to keep on believing
That everything (5) time
I'll make up any reason
To make you mine
If you're (6) or leaving
I'll follow your lead
So why keep pretending?
Open your eyes
I can be what you need
Any (7) of guy you want, girl
That's the guy I'll be
Turn (8) upside down
(Yes, I will, yes, I will)
Any (9) of guy you want, girl
You know I'll agree
Turn your whole world around
(Yes, I will, yes, I will)
Any kind, any kind
