Fear of the dark

I am a man who walks alone	Fear of the dark
And when I'm walking a dark road	I have a phobia that someone's always there
At night or strolling (1) the park	Fear of the dark
When the light begins to change	Fear of the dark
I sometimes feel a (2) strange	Fear of the dark
A little anxious (3) it's dark	Fear of the dark
Fear of the dark	Fear of the dark
Fear of the dark	Fear of the dark
I have constant fear that something's always near	Fear of the dark
Fear of the dark	Fear of the dark
Fear of the dark	Watching (9) films the night before
I have a (4) that someone's always there	Debating witches and folklore
Have you run your fingers down the wall	The unknown troubles on your mind
And have you felt your neck skin crawl	Maybe your mind is playing tricks
When you're searching for the light?	You sense and suddenly eyes fix
Sometimes when you're (5) to take a look	On dancing shadows from behind
At the corner of the room	Fear of the dark
You've sensed that something's watching you	Fear of the dark
Fear of the dark	I have constant fear that something's always near
Fear of the dark	Fear of the dark
I have constant (6) that something's always near	Fear of the dark
Fear of the dark	I have a phobia that someone's always there.
Fear of the dark	Fear of the dark
I have a phobia that someone's always there	Fear of the dark
Have you ever been alone at night	I have constant fear that something's always near
Thought you heard footsteps behind	Fear of the dark
And turned around and no-one's there?	Fear of the dark
And as you quicken up your pace	I have a phobia that someone's always there
You find it hard to look again	When I'm (10) a dark road
Because you're sure there's someone there	I am a man who walks alone
Fear of the dark
