Fear of the dark

Fear of the dark

And when I'm walking a dark road	I (3) a phobia that someone's always there
At night or strolling through the park	Fear of the dark
When the light begins to change	Fear of the dark
sometimes feel a little strange	Fear of the dark
A little anxious when it's dark	Fear of the dark
Fear of the dark	Fear of the dark
Fear of the dark	Fear of the dark
have constant fear that something's always near	Fear of the dark
Fear of the dark	Fear of the dark
Fear of the dark	Watching horror films the night before
have a phobia that someone's always there	Debating witches and folklore
Have you run your fingers down the wall	The unknown troubles on your mind
And have you felt your neck skin crawl	Maybe your mind is playing tricks
When you're searching for the light?	You sense and suddenly eyes fix
Sometimes when you're scared to take a look	On dancing shadows from behind
At the corner of the room	Fear of the dark
You've sensed that something's watching you	Fear of the dark
Fear of the dark	I have (4) (5) tha
Fear of the dark	something's (6) near
have constant fear that something's always near	Fear of the dark
Fear of the dark	Fear of the dark
Fear of the dark	I have a phobia that someone's always there.
have a phobia that someone's always there	Fear of the dark
Have you ever been alone at night	Fear of the dark
Thought you heard footsteps behind	I (7) constant fear that something's always near
And turned around and no-one's there?	Fear of the dark
And as you (1) up your pace	Fear of the dark
You find it hard to look again	I (8) a phobia that someone's always there
Because you're sure there's someone there	When I'm walking a dark road
